Good relationships help us feel more complete. Everyone wants them, but while the desire is healthy, we don't always pursue it in the healthiest way. How we'd love it if the answer were a simple click of the mouse away! But even if you were to find the love of your life on the Internet—or anywhere else for that matter—how could you be sure that the person would have the cure for what ails you? Here at Solutions, we'll give you a surefire prescription for curing your love life.

## OUTLINE

#1. You complete me?

#2. Who's the tick and who's the dog?  
(Expression, experience, and the right kind of completion)

#3. Here's how to guarantee failure.

#4. Try a few love enhancers!

**DVD small group discussion questions:**

1. What fantasies for completion do you have that may be unrealistic?
2. In what ways is your “expression” of love dependent?
3. In what ways is it mature?
4. What patterns do you have that produce failure?
5. What steps do you need to take to make things better?
