WHY ISN'T HE
(OR SHE) "INTO" YOU?
DR. HENRY CLOUD

Have you ever had the unpleasant feeling, in dating or in marriage, that your partner is nowhere near as interested in you as you are in him or her? While it may be unsettling, to say the least, this scenario is not all that uncommon. What are you to do when the person of your dreams just "isn't into you"? Is it possible to change the dynamics of such a relationship? What would it take to bring about a change? Finally, how do you know if it's time to cut your losses and move on to find someone who is into you? This topic will have value for everyone, married or single. Don't miss it!
