Outline

Part 3: Get with the Right People/Build a Strong Fence

Your best allies in solving problems are supportive people, and parameters. We all tend to isolate somewhat, and that makes things worse. And, we often let the problem control the paths of our lives, and that ends in misery. Learn the two allies, and how to use them well.

DVD small group discussion questions:

#1: With your DVP, what keeps you from opening up deeply to 2-10?

#2: Do you need more fuel, reality or resource?

#3: Meditate on John 16:33 and internalize his help and perspective.
