Outline

Part 5: Create a Pass-Fail Plan/Do the Right Thing

You can't know you have solved your problem until there is some measurable way to tell. You'll learn in this session how to set up a pass-fail plan so you'll know when you've resolved the issue. Also, there are some "next steps" that will always pay off, no matter what.

DVD small group discussion questions:

#1: Talk about your DVP in the 5 pieces of Goal, Brainstorming, Decision, Resources, Strategy.

#2: What is your 24 hour action?

#3: What have you learned about yourself in how you attack problems?
